

The Italian and International Associations of Earthquake Engineering are pleased to invite you to the [18th World Conference on Earthquake Engineering](#) (WCEE2024) in **Milan**, Italy, from **30th June to 5th July 2024**. This event already attracted almost 4000 participants, from academic/research institutions, industry and the public sector.

Milan is at the heart of Europe and can be easily reached from all countries. It is a **multifaceted city with a glamorous past and exciting present** with its venues of great value, its historic and cultural excellence, its strong hospitality industry and its excellent connections.

We are convinced, and will certainly endeavour to so ensure, that you will find the **involvement and participation in WCEE2024** not only to be a professionally rewarding experience, but also scientifically stimulating and personally enjoyable.

Here is a glimpse of the **overall agenda**: <https://www.wcee2024.it/programme/>

Should you be interested in **registering** and access all scientific sessions, kindly refer to this link: <https://www.wcee2024.it/registration/>

As for **sponsorship and exhibition opportunities**, our sponsorship Office (wcee2024.sponsor@aimgroup.eu) is available to coordinate with your company to outline the best collaboration scheme for your attendance. Please refer to the WCEE2024 **Sponsorship Booklet** for all preliminary information.

We are also excited to promote an **exclusive experience at La Scala Theatre**, which has been fully booked for our attendees, who will have the unique opportunity to enjoy the celebrated **Turandot opera show** on the evening of **July 1st**.

Central Loges and Parterre tickets can now be purchased, so to ensure an unforgettable soirée.

The Conference Secretariat is available to assist you with any further information and **we look forward to welcoming you in Milan!**
